

## St. Michaels MD Police Department

Published by Tiffany Sweeney · Just now ·

Last week was very busy for our community policing program, S.M.Y.L.E.

On June 30th, we held our second Lunch with a Cop. We saw many recognizable faces and had a great time celebrating K9 Max's retirement. Thanks to all who joined us!

On July 1st, we joined Habitat for Humanity and town commissioners to welcome a new homeowner and her four children into their Habitat for Humanity home on Brooks Lane.

On July 3rd, we took part in the Classic Motor Museum Classic Car Parade and assisted the newly formed, Hattie's Wheelchair Club to participate in the annual parade. Officer Fritz led the parade on one of our new electric bikes and gave out high fives!

Please note that at this time we will not be holding the next two previously scheduled Lunch with a Cop events on 7/7 and 7/17. Thank you for your understanding. Please join us when we resume the program on Friday, July 23rd.

On July 14th, Officer Foster conducted a well attended Fraud & Identity Theft Prevention workshop at the St. Michaels Public Library.

One participants comments worded it best by saying, "I thought today's session was very informative and I learned some things that I should probably be paying more attention to. I think it is great that the St. Michaels police are reaching out to the broader community in this way. Builds confidence."

If you are interested in attending a future workshop with us, please send an email to [tsweeney@stmichaelsmd.gov](mailto:tsweeney@stmichaelsmd.gov).

Today, 8/18/2021, [St. Michaels Community Center](#) in partnership with S.M.Y.L.E., St. Michaels Youth and Law Enforcement joined youth and their parent(s)/guardian(s) on a round trip to Six Flags.

Many participants were part of the vaccine clinic held during the annual block party in conjunction with the Vaccine Equity Task Force, of which Chief Smith has been a part of since earlier this year. Anyone who came out for the shot on June 12th was eligible to receive an all expense paid trip to Six Flags sponsored by S.M.Y.L.E. We want to give a special shout out to Cambridge Lodge #223 of Cambridge, Maryland for their support of this trip.

On Monday, 8/30, K9-Max was welcomed back by many of his fans from the community at Muskrat Park. His handler, Cpl. Jason Adams explained his vital role in law enforcement and answered many questions from the public. Sgt. Max demonstrated firsthand his drug detecting skills by locating drugs that had been hidden in nearby bushes. At the close of the demonstration, Cpl. Adams received a call for a K9 scan and Sgt. Max was off to his next job!

Today, **Talbot Goes Purple** begins their fifth year of daily educational messages throughout the month of September. You'll find as you pass by the station, we have chosen an important message about the use of Naloxone (Narcan). One of our own, Corporal Jason Adams was awarded the life-saving award for saving a citizen experiencing an overdose.

To get trained and learn how to respond to an overdose emergency, check out the link below. <https://www.getnaloxonenow.org>
